# Join Us

The Association of Retired Teachers of Connecticut invites you to our annual Fall Luncheon held at the AquaTurf Club in Plantsville, CT. We are a membership-based organization committed to securing and protecting the rights of our State's retired teachers. In addition to supporting bills in Hartford to protect your health insurance and pensions, we also sponsor Fall and Spring luncheons. These luncheons are a fun way to keep up to date with what concerns you most and to get together with old friends.

We are very excited about our program for this year's Fall Luncheon which will be held on Tuesday Oct 23rd from 9:00-2:00. At this writing, we have two notable guest speakers, an exciting raffle, delicious food and several vendors in store for you.

# Guest Speakers

In this important election year, ARTC has invited the Democratic and Republican gubernatorial candidates to speak at our luncheon. ARTC is pleased to announce that Ned Lamont has accepted. To

date, Bob Stefanowski, the Republican gubernatorial candidate, has yet to accept our invitation.

What the next Governor thinks and does will impact our pension and health insurance. Presently our Health Insurance Fund is projected to be insolvent in the near future unless the State makes its annual promised contributions. Come hear the candidate's views on these important issues.

Also on the program, Helen Sullivan, the newly appointed Administrator of the Teachers' Retirement System, will be introduced. Come meet Helen as she briefly defines her role in working with the Teachers' Retirement Board (TRB) to administer our pension and health insurance plans.
