ARTC is a membership-based organization committed to securing and protecting the rights of our State's retired teachers, particularly those related to our pensions and health insurance benefits. Our Spring and Fall luncheons provide a way to keep up to date with legislative actions while spending a pleasant day with old and new colleagues.

*We are pleased to announce that Kathleen Holt, from the Center of Medicare Advocacy, will be our guest speaker. She will be talking to ARTC members and guests about the changes to our insurance under the new Medicare Advantage plan.*
